

INODEPOSIT-NORETURN

Capt. Jupiter

IN THE HEMROIDS OF URANUS

THANKS, DORK.
LAUNCH THE SHUTTLE.
WE'RE GOING IN!

NEARING OUR
DESTINATION CAPT.

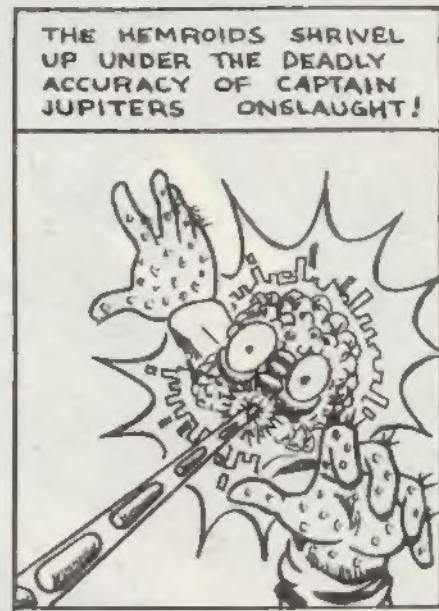

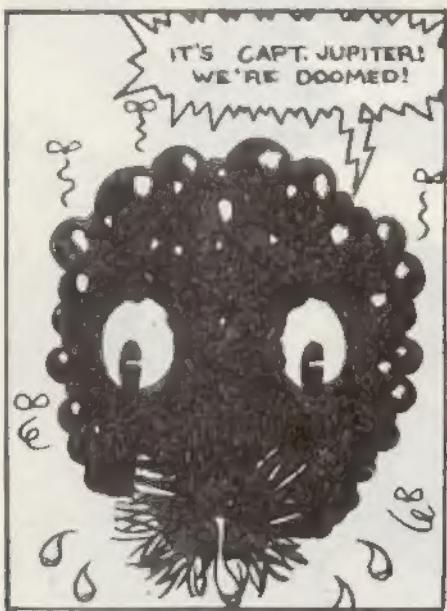

CAPTAIN JUPITER,
GUARDIAN OF SPACE,
HAS BEEN SUMMONED
TO HELP RID URANUS
OF THE MENACING
HEMROIDS WHO HAVE
INVADED. CAN HE DO
IT?

BOB CONWAY

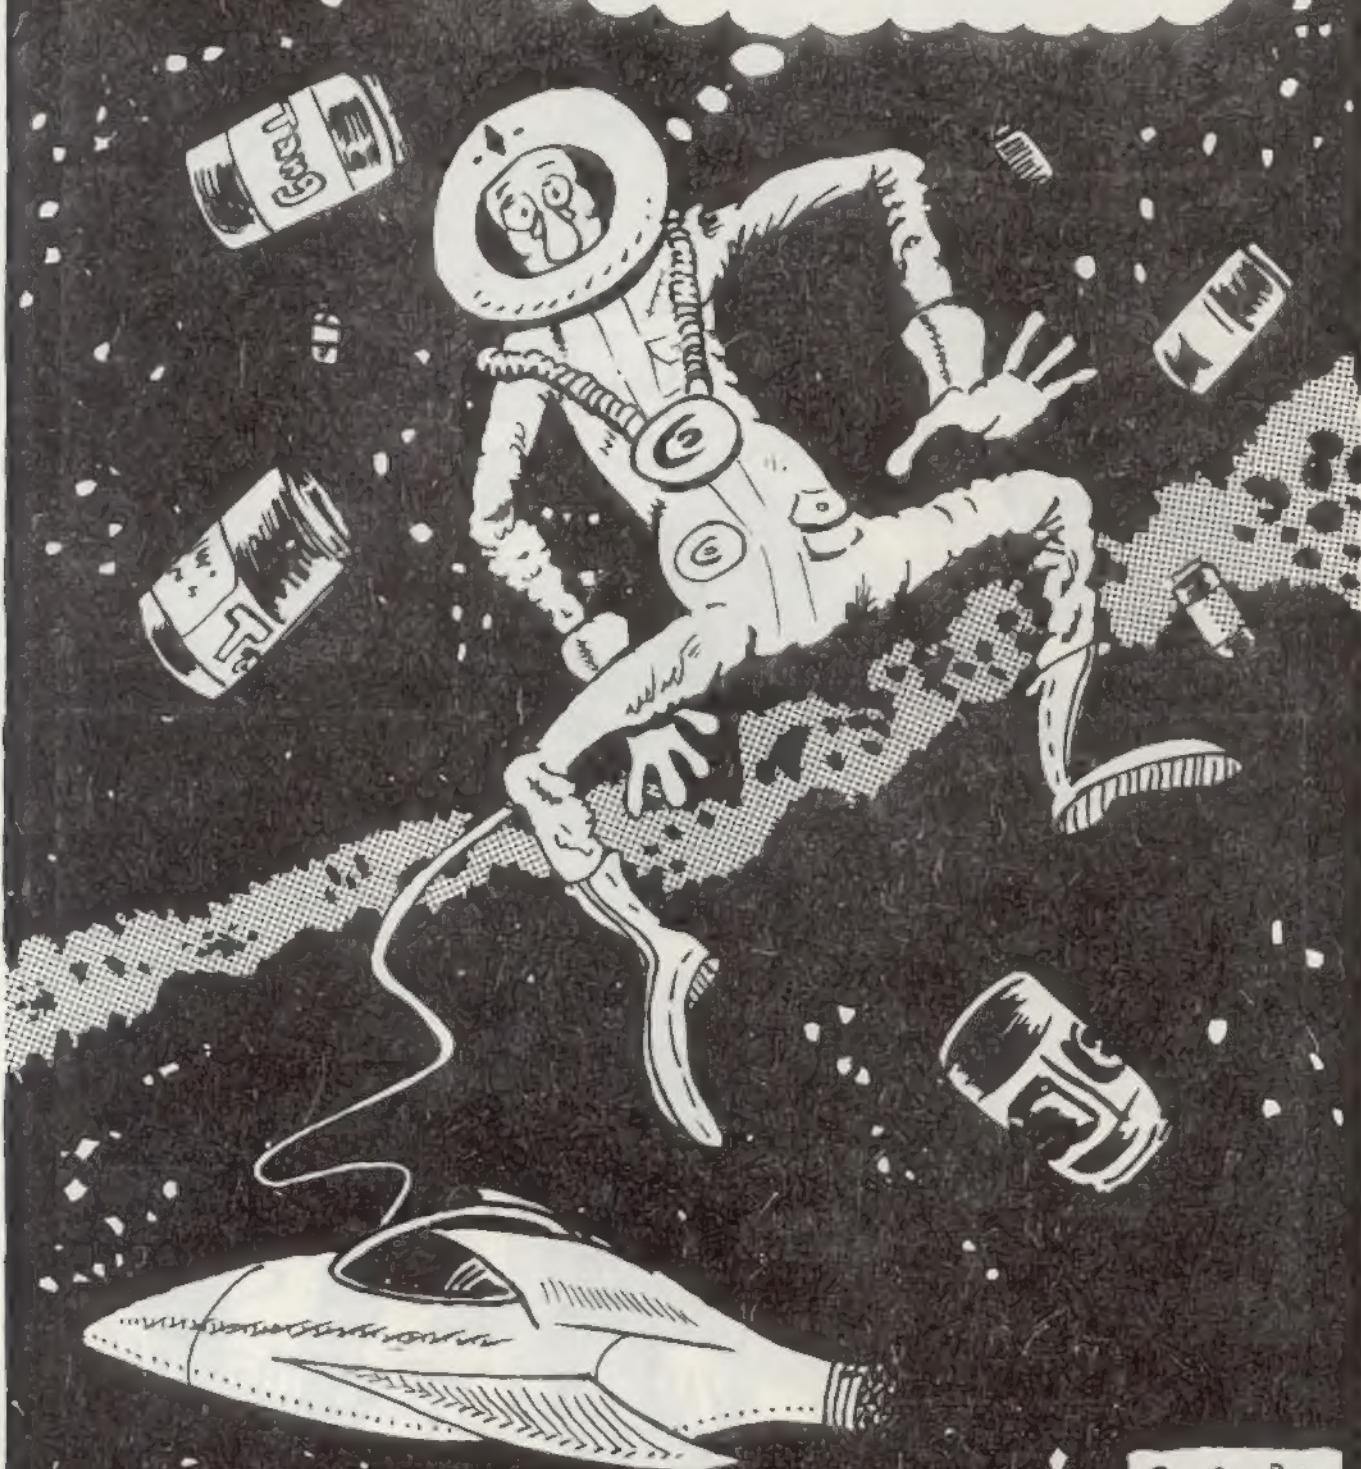

RIDDING A PLANET
OF HEMROIDS IS NO
PLEASANT TASK!

PUT ON YOUR HELMET
DORK! WE CAN'T BREATHE
THIS ATMOSPHERE OF
METHANE AND OTHER
POISONOUS GASES!

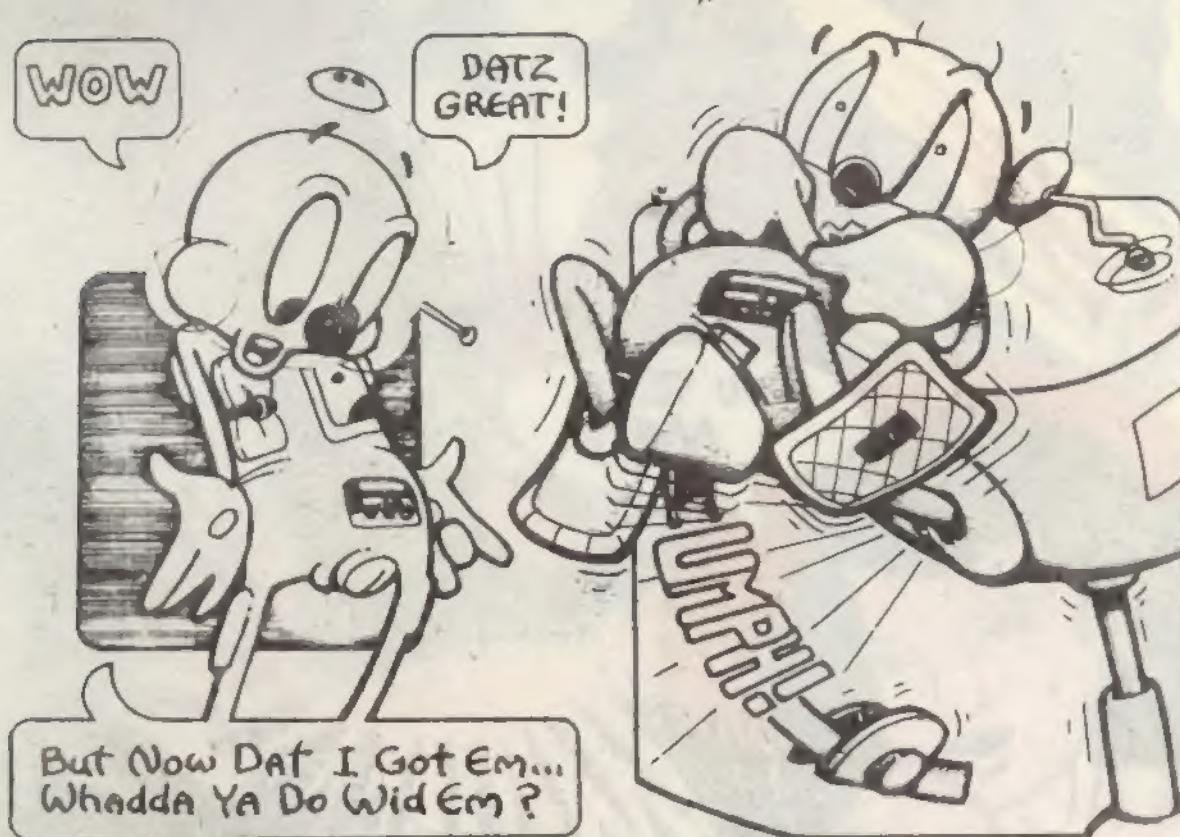

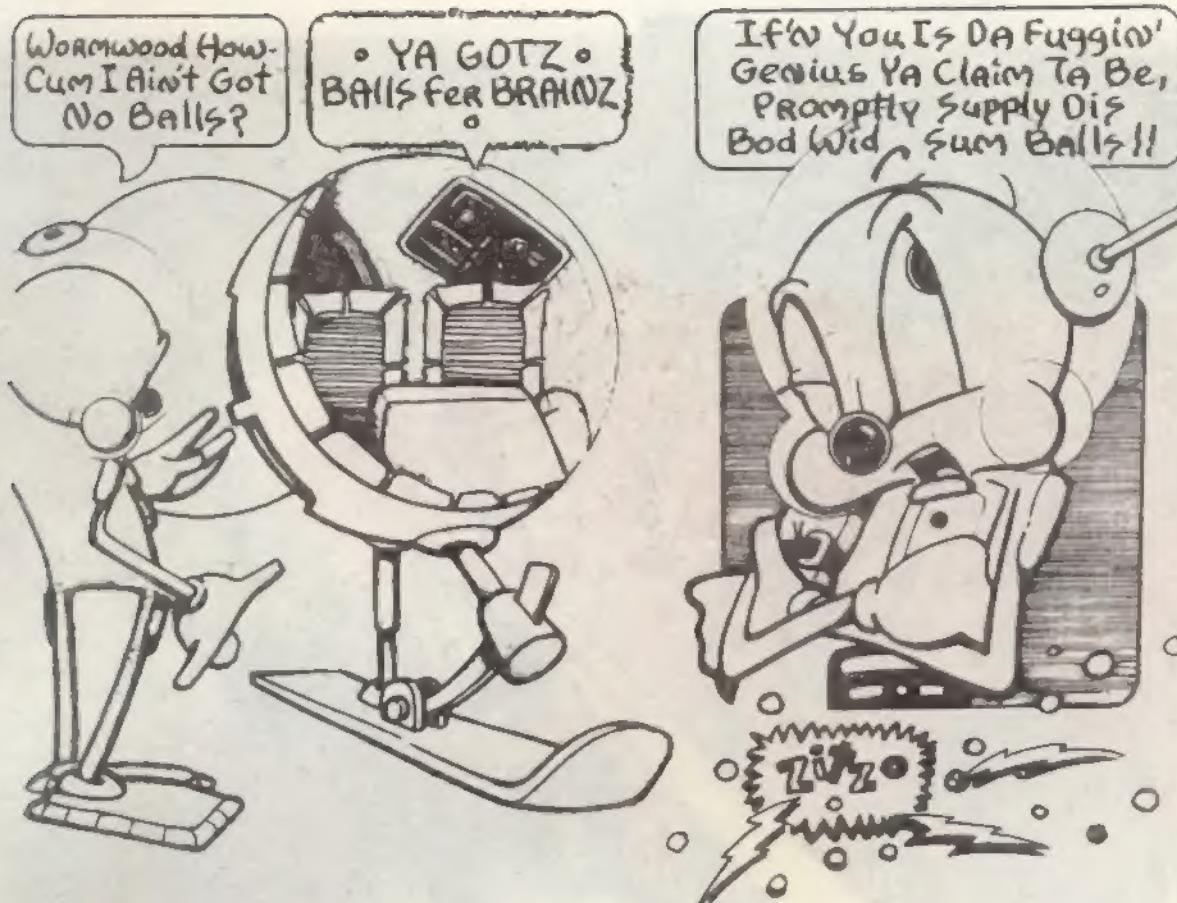

AND IT
STINKS TOO!

IT'S TOUGH OUT HERE
IN OUTER SPACE BEING AN
OPEN TARGET FOR EMPTY
TANG BOTTLES!

Chris Lip.
